- Even if you think you're already registered, check again!
- Make sure your teenagers are registered to vote.
- Make sure your elders are registered to vote.

Get what you need

- Check if you need an ID to vote. If so, be sure to have one.
- Apply for a mail-in or absentee ballot, if available in your state.
- If you cannot vote by mail, find out if your state has early voting and when early voting starts.
- If you cannot vote by mail, get masks, hand sanitizer, and other protective equipment.

Check out your ballot

- Find your personalized ballot online here: vote411.org/ballot.
- Research your local races and ballot initiatives.
- Look up voter guides from trusted organizations.
- Find out who is endorsing the ballot initiatives and races on your ballot

Vote early

- Vote by mail or absentee ballot, if available in your state.
- If you cannot vote by mail, vote during the early voting period, if available in your state
- If you cannot vote early, prepare for a long line. Bring protective equipment, snacks, water, etc.
- Track your ballot! Many states let you do this. Check out your state Secretary of State website.
